#### AGENDA ITEMS

##### I. Welcome

Dr. Beck, Assistant Superintendent of Curriculum and Instruction, opened the meeting with a review of academic calendars from surrounding districts. He read the results of a state survey given to ask questions on specific items for the development of the academic calendar. Dr. Beck read the results of votes for the beginning of the school year date, holidays, spring break and several other calendar items.

##### II. Develop the 2016-2017 Academic Calendar

The committee broke up into four groups and began work on the development of two to three calendar options to be sent out for a district vote.

There was a review of four calendar options and since two options were the same one option was taken out. After careful review of the three options, it was decided that two options would be sent out for district voting and have the 2016-2017 Academic Calendar voted on by the district to go to the February board meeting for board approval.

##### III. NEXT MEETING DATE
