AGENDA ITEMS

I: Welcome

Mr. Mike Niemeyer, Assistant Superintendent of Administration, welcomed everyone and reviewed the agenda which he pointed out contained only one item.

II: Review Student and Community Evaluation Instrument

Dr. Beck, Assistant Superintendent of Curriculum and Instruction, and Mr. Niemeyer told the committee they received Policy drafts for the nine accountability requirements from House Bill 5. All drafts are open for discussion and nothing is set in stone. Break out groups will be divided by the 9 stations and looking at each of the accountability requirement drafts. Each committee member should spend time reviewing all the drafts and may move from station to station to review all drafts. The committee were given a checklist to follow and asked to make notes on each draft for review by the committee. The drafts were modified but that doesn't mean they are done. If there is anything they think should be changed please point it out and make notes. Drafts to be reviewed:

- Fine Arts
- Dropout Recovery
- BIL/ESL
- Community Parental Involvement
- G/T
- PE Wellness

III: Group Work

After reviewing the drafts the committee discussed notes and changes needed on each draft. Dr. Beck and Mr. Niemeyer gave examples of the focus area's improvements and group discussion followed.

V: Future Agenda Items
