

WE WANT YOU TO JOIN THE PTO!

Why join the PTO you ask? We are a volunteer organization made up of administrators, teachers, support staff & parents who are all dedicated to the successful education of our children. Our key mission is to promote a school environment where teachers and administrators can do their best work & our students can do their best learning.

We're always eager to find more great people, like you, to help us meet this goal. Because having many hands makes the job easier & more enjoyable for all of us, we will need as many volunteers as possible. Pressed for time? No Problem! A mere hour can be a big help to our group & the school, & we have tasks to fit all schedules & interests!

Our group meets approximately once a month to discuss events, plan fundraisers to subsidize un-afforded needs, and share ideas. And while you don't have to come to the school or our meetings to be involved, we'd really like to meet you personally!

We in the PTO believe that it is critical to do whatever we can to enhance the learning environment of our children, as they truly are our future. It will take all of us working together to ensure that this happens. We look forward to getting to know you!
