

Accessing Your Child's STAAR Results

Go to <http://www.texasassessment.com/>

IF YOU KNOW YOUR CHILD'S PORTAL ACCESS CODE

1. Click on Log In to Student Portal
2. Click OK in the pop-up box
3. You will then be redirected to the Texas Assessment Data Portal.
4. Type in the access code and your child's birthdate to access his/her scores.

On previous years' STAAR Confidential Student Reports, your child's access code could be found in the lower right hand corner. This access code belongs to your child for their entire K-12 public education.

IF YOU DO NOT KNOW YOUR CHILD'S 6-DIGIT PORTAL ACCESS CODE

1. Click on the Lookup Access Code link.
2. Enter the Student's First Name, PEIMS ID (either the Social Security Number or the State ID Number), and Date of Birth. Then click GO.
3. The student's Access Code will automatically populate. Using the drop-down menu, enter your child's birthday again and click GO.

Once you've successfully entered the Unique Access Code and Date of Birth, the student's test history will be displayed on the screen. Click on any test name to view its details. To obtain an electronic copy of the 2017 STAAR Report Card, click the Download PDFs button in the upper-right corner.

Click on the test administration to view the STAAR Report Card.

The system will generate a PDF file suitable for download/printing.

s. The Unique Access Code is xxxxxx.

Reporting Category	Score	Percent	Percent Correct
1. Understanding of Main Ideas	7	18	18%

The State of Texas Assessments of Academic Readiness (STAAR) is the testing program for students in Texas public schools. Each STAAR assessment measures what students are learning in a specific grade based on the Texas Essential Knowledge and Skills (TEKS).

STAAR 3-8 Assessments:

- Grades 3-8: reading and mathematics
- Grades 4 and 7: writing
- Grades 5 and 8: science
- Grade 8: social studies

STAAR End-of-Course Assessments (required for graduation)

- English I
- English II
- Algebra I (*students taking Algebra I in the 8th grade will take the EOC assessment*)
- Biology
- US History

Additional Resources (*including student tutorials*)
