

Dear Channelview ISD Family,

Texas Governor Greg Abbott has extended his executive order that will keep all private and public schools closed for the remainder of the 2019-2020 school year. This is being done in an effort to prevent the spread of COVID-19 and while we miss our students, we support Governor Abbott's decision.

Please know, we will continue our curbside meal distributions and distance learning classes for the remainder of the academic year.

I would like to take this opportunity to thank our teachers and staff for the tremendous amount of work they have been doing behind the scenes to ensure student learning continues. Our teachers remain committed to helping our students learn through various online platforms. I am incredibly grateful to have dedicated teachers who have handled this challenge with strength and perseverance.

In the meantime, please stay safe. We ask that you continue to practice the tips provided by the Center for Disease Control (CDC).

- Clean hands often
- Practice social distancing
- Cover mouth while out in public

For the most up-to-date information, please refer to our district website at www.cvisd.org. Thank you for your patience and dedication to our students during these uncertain times.

Sincerely,

A handwritten signature in blue ink that reads "Greg Ollis".
