

## ***Application process for Endeavor High School***

Prospective students to the Endeavor program must complete an application. The student’s academics, state assessment scores (STAAR/EOC’s), attendance and discipline records will be reviewed by the school district’s Endeavor application committee. Afterwards, the student and parent/guardian will be notified of the committee’s decision.

If the student has been accepted, the student and parent/guardian must contact the Endeavor office to schedule an appointment with the Endeavor Principal within 3 school days. Meetings are usually 30 minutes or less. The meeting will cover Endeavor’s expectations for academics and behavior and any questions the student or parent/guardian have.

Endeavor has a limited number of spaces available. Endeavor is not designed for students who have chronic attendance or discipline issues. Along with the Endeavor staff, the student and parent/guardian will be expected to take responsibility for his/her academic success.

Students new to the district who hope to attend Endeavor are required to enroll into Channelview High School. Afterwards, a student may apply for Endeavor.

Endeavor is CISD’s school of choice.
